

EUGENE FIELD ELEMENTARY SCHOOL

Developing creative, balanced inquirers who share a love of learning, a commitment to global responsibility, a respect for others, and a desire to take positive action in the world.

Dear Parents and Guardians,

Let me be the first to welcome you and your child to Field Elementary for Explore Session II. My name is William Bruner and I will be your child's principal here at Field Elementary during July 2018. I have been in education for the last 7 years here with Springfield Public Schools and before that I worked in the legal field, specifically in the area of disability law. I recently earned a Specialist Degree from Arkansas State University in Educational Leadership and am pleased to be serving in this role for our community.

Explore Session II will begin on July 5th and will continue through July 31st. We will meet 5 days a week. Breakfast will be served at 8:20 A.M., class will start promptly at 8:50 A.M. and our day will end 3:20 P.M. Both Breakfast and Lunch will be provided at no charge. Good attendance is a vital part to being a successful student during Explore. There are many activities and experiences to take part and your efforts in making sure your child is here every day are greatly appreciated!

Transportation for Summer School will be available to for eligible elementary students. They are eligible only if they live within the designated attendance area and their residence is more than 1.5 miles from their assigned summer school site. Students may choose to attend any Explore location if they provide their own transportation. Call 417-523-0500 for transportation questions.

Demonstrating good behavior is an expectation during Explore. Student misbehaviors will be addressed in a proactive manner using principles of positive behavior interventions. Explore Coordinators will review instances with students having repeated inappropriate behaviors. At the Explore Coordinator's discretion, students with repeated inappropriate behaviors may be dropped from the program.

If your child has any leftover school supplies from this past year they may bring them to Explore. Supplies your child may bring include: pencils, a notebook, crayons, folders, glue and scissors.

Any medication that your child may need to take during school hours will need to go through the nurse's office. Please contact our school nurse to obtain the proper paperwork to ensure that your child is able to take their medications.

If you are concerned about after school care you may contact SPARC at 417-837-5737 to see what options are available. I look forward to seeing you in July for Explore! Enjoy the rest of your school year!

Respectfully,

A handwritten signature in cursive script that reads "William H. Bruner, III". The signature is written in black ink and includes a horizontal line under the "III".
