Ms. Kathy Looten,

I respectfully request a copy the first 5 (five) pages of all the petitions for all the school board candidates that filed petitions with you to be considered for the April 7, 2015 school board election ballot. These petitions are the ones that you have marked on showing your review of them as you considered them in deciding if that candidate would qualify for the April 7, 2015 Board ballot.

I will need these petition copies by 11 am, Monday, January 26, 2015. Please provide the copies in the same physical size as the originals and I request that they be clear copies.

Please do not mail these materials as that will waste important time. Please call, text, or email me if the copies are ready earlier, otherwise I will be in to your office at 11 am, Monday, January 26, 2015 to personally pick them up.

If it is impossible for you to provide these copies by the times I requested, please "give a detailed explanation of the cause for further delay and the place and the earliest time and date that the records will be available..." as per

Missouri Revised Statutes 610.023.3. Copy of Statute below.

"Each request for access to a public record shall be acted upon as soon as possible, but in no event later than the end of the third business day following the date the request is received by the custodian of records of a public governmental body. If records are requested in a certain format, the public body shall provide the records in the requested format, if such format is available. If access to the public record is not granted immediately, the custodian shall give a detailed explanation of the cause for further delay and the place and earliest time and date that the record will be available for inspection. This period for document production may exceed three days for reasonable cause."

If cost is a factor, I will gladly pay what you are charging other citizens for this public material.

As you know, this is an extremely time sensitive issue.

Sincere Thanks,

Swayne Benson Loftis
Candidate for Springfield, MO R-12 School Board

The term "public record" shall not include any internal memorandum or letter received or prepared by or on behalf of a member of a public governmental body consisting of advice, opinions and recommendations in connection with the deliberative decision-making process of said body, unless such records are retained by the public governmental body or presented at a public meeting."
