Re: School District of Springfield, R-12
Sunshine Request Dated June 16, 2017

Dear Mr. Stevens:

This letter will respond to your email dated June 16, 2017, which was received by me on Monday, June 19. Your email requests certain public records pursuant to the Missouri Sunshine Statute.

With this information in mind, the District's Board of Education provides you with the following response concerning your requests for public documents.

Request: “.....any and all electronic purchasing records from 2017-02-14 to current. The information requested is: (1) Purchase order number. If purchase orders are not used a comparable substitute is acceptable, i.e. invoice, encumbrance, or check number; (2) Purchase date; (3) Line item details; (4) Line item quantity; (5) Line item price; and (6) Vendor ID, name, address, contact person and their email address; and (7) What is the beginning of your fiscal year?”

Response: There are public records which meet this request. We estimate that the cost of the search and retrieval of these documents will be seventy-five dollars (\$75.00).

If you wish to have the District engage in a search for your request of purchase orders, then the District will need a check prior to starting the search and retrieval process. Once the check is processed, the search and retrieval process will begin and should take no more than seven business days.

Our fiscal year runs from July 1 to June 30.

Thank you for your request.

Sincerely,

Kathy Looten
Executive Office Liaison/Records Custodian
