Subject: RE: 10/5 Sunshine Request (Springfield Public Schools)

Good Morning Mr. Seim,

This letter will respond to your email dated October 5, 2017, which was addressed to Jim Scott, Senior Buyer. The email was received in my office on October 9, 2017. Your email requests certain public records pursuant to the Missouri Sunshine Statute. Initially it is noted that all requests pursuant to the Missouri Sunshine Law should be directed to me as the District's Custodian of Records. The fact that you misdirected your request has slowed the processing of the request.

Per your request, the School District of Springfield R-12 purchases fuel through City of Springfield bid IFB #114-2014. The City of Springfield is the lead agency for this bid which was awarded to Tri-Lakes Petroleum. The contract is based on a markup above OPIS Unbranded Rack Average.

Please contact me if you need additional information.

Thank you,

*Kathy L. Looten
Executive Office Liaison/Records Custodian

Subject: **Sunshine Request (Springfield Public Schools)**

Good Afternoon—

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.

The request is for information related to the current bulk fuel contracts (gasoline, diesel, etc.) for Springfield Public Schools. Documents would include; RFP that was used for current contract, Bid tabulations, Award, and amendments. If a fuel contract does not exist, please provide the District fuel purchasing procedures.

Our intention is to participate in upcoming fuel bids.

Any help is appreciated!

Thanks

Anthony E. Seim
Senior Government Contract Administrator
